ROSEMONT. THE undersigned is induced to offer for sale, his country Residence and Farm, situated 3½ miles from Nash-ville, on the Murfreesboro' Turnpike, and within a few min-utes wark of the N. & C. Railroad. It emoraces between 75 and 90 acres, in about equal proportions, of beautiful wood-land and cultivated land, in the highest state of improvement. A portion being well set in Timothy, Clover and Blue Grass, to which the soil proves admirably adapted, the whole sub-stantially fenced with cedar, and supplied in every direction

The grounds about the buildings have been embellished with gravelled walks, falling garden, rich grass-plots, choice flowers, shrubbery and evergreens, while for the extent and variety of fruit trees, obtained without regard to cost, or labor, from the most approved nurseries, it is not exceeded by any in the country.

The buildings are extensive and convenient—barns, cribs,

stables, carriage houses, servant's houses, gardiner's house, ice-house of large dimensions, spring house built of stone, over a spring of rare excellence, and furnishing a great abundance of water, a portion of which, by means of an Hydraulic Ram, is conveyed directly to the dwelling, and there, after supplying the wants of the family, affording a surplus still, which is susceptible, at little cost, of being directed to many purposes of ornament and utility. Besides these, the family dwelling, built in cottage style, having seven rooms, well arranged and occupying an eminence, unsur-passed for pure air and a charming landscape For health, fertility, convenience to churches and schools

and good society in the country, it is not surpassed, and those in want of such a situation are invited to examine it.

FLORENCE, Ala., Dec. 19, 1849. Dear Sir:—I take the present opportunity of bearing testimony to the medical qualities of your Pulmonic Medicine. The Rev B B Barker had a cough for about three or foneweeks. It not only was distressing to himself, but such was the severity of the paroxysms that all around sympathized with him. I have used many cough medicines, and have tried and seen used, all the balsams and nostrums of the present day, and I verily believe that yours is superior to them all. I remain yours, T J KILPATRICK, Principal of the Florence Male Academy.

Dear Friend Stewart:—I have been home now just two months. When I last saw you I had but little hopes of ever getting any better. But I have now the pleasure of thanking you for recommending me to take Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua: I got a dozen bottles of it and took home with me, determined to make a fair trial of it, as I had done with averything also. as I had done with everything else. I have only taken four bottles of it, and I must say it has done me more good than any other medicine I have ever taken. On my first taking it, it increased the expectoration, and I raised a great deal of bloody matter from my lungs. Bufthat his now ceased, and so has my cough, nearly. I cough but little now, and expect soon to be entirely free from it. I consider it an in-

flicted with a cough or diseased lungs. I let a young lady, who had the Consumption, and had bled a good deal from the lungs, and doctored several months with our Physician, but grew worse, have a bottle of it, and it cured her. It acted almost miraculously in her case. Your sincere friend,

Before I had taken up the third bottle, my bleeding had stopped, my cough was gone, and I felt well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. This statement and cordially recommend it to my friends. | This statement
